

Customized Service Metal Cases Sheet Metal Fabrication Metal Enclosure Box

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Size: Customized Size
- Color: Customized Color
- Type: Control Box, Distribution Box, According To Your Drawings Or Samples
- Service: OEM/ODM, OEM/ODM/One-Stop Service
- Thickness: 0.5mm~ 16.0mm, 2.0mm, 0.1mm-12mm/As Per Customers' Require
- Product Name: Sheet Metal Fabrication, OEM Aluminum Enclosure Metal Processing Sheet Metal
- Tolerance: $\pm 0.05\text{mm}$
- Precision: $\pm 0.1\text{mm}$
- Highlight: **Metal Cases Sheet Metal Fabrication, Customized Service Sheet Metal Fabrication, Fabrication Metal Enclosure Box**

Product Description

Item	Description
Product Name	Customized Service Metal Cases Sheet Metal Fabrication Metal Enclosure Box
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Box Customized Service Sheet Metal Fabrication Metal Cases Custom Sheet Metal Fabrication

Introduction: Step into the realm of tailored solutions with our specialized sheet metal fabrication service, focusing on the customization of metal cases and boxes. We pride ourselves on delivering precision-crafted products that meet the unique needs of our clients, offering versatility, durability, and aesthetic appeal.

Bespoke Metal Cases and Boxes: Our expertise lies in crafting bespoke metal cases and boxes to suit a variety of applications. Whether you need enclosures for electronics, storage solutions for industrial equipment, or custom packaging for specialized products, our fabrication capabilities are designed to meet your requirements.

Comprehensive Customization: We understand that each project has its own set of specifications and constraints. That's why we offer comprehensive customization options, including:

Size and Shape: Tailor the dimensions of your metal case or box to fit your exact requirements.

Material Selection: Choose from a variety of high-quality metals, including steel, aluminum, and stainless steel, to suit your needs.

Finishes and Coatings: Select finishes and coatings to enhance the appearance and durability of your metal case or box, including powder coating, painting, and anodizing.

Precision Sheet Metal Fabrication: Our state-of-the-art equipment and skilled craftsmen ensure precision in every aspect of sheet metal fabrication. From laser cutting and bending to welding and assembly, we maintain strict quality control measures to ensure that each metal case or box meets the highest standards of craftsmanship and performance.

Versatile Applications: Our customized metal cases and boxes find applications across a wide range of industries, including electronics, telecommunications, automotive, and more. Whether you need rugged enclosures for outdoor use or sleek packaging for retail display, our solutions are designed to meet your specific needs.

Quality Assurance Guaranteed: Quality is our top priority, and we take every measure to ensure that our products meet the highest standards of excellence. From material selection to final inspection, we adhere to rigorous quality control processes to ensure that each metal case or box is built to last and withstand the demands of its intended application.

Collaborative Partnership: We believe in fostering collaborative partnerships with our clients, working closely with you to understand your needs and objectives. Our dedicated team is committed to delivering customized solutions that not only meet but exceed your expectations, ensuring that your projects are completed on time and to your satisfaction.

Contact Us Today: Ready to explore customized sheet metal fabrication for your metal cases and boxes? Contact us today to discuss your requirements and discover how our expertise and dedication to quality can bring your vision to life. With our comprehensive customization options and commitment to excellence, we're here to provide solutions that meet your needs and exceed your expectations.
