

## Stainless steel plate precision sheet metal laser cutting parts

### Our Product Introduction

for more products please visit us on [metalstamp-parts.com](http://metalstamp-parts.com)

#### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

#### Product Specification

- Size: Customized Size
- Color: Customized Color
- Material: Aluminum, Stainless Steel
- Product Name: Sheet Metal Stamping Parts Machined Parts, Stamping Part
- Item Name: Steel Stamped Part
- Thickness: 0.5~25mm
- Highlight: precision sheet metal laser cutting parts, Stainless steel sheet metal laser cutting parts

## Product Description

Item	Description
Product Name	Stainless steel plate precision sheet metal laser cutting parts
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

### **Stainless Steel Plate Precision Sheet Metal Laser Cutting Parts: Unmatched Precision for Your Projects**

Introducing [DONG FENG SHENGSHI]'s stainless steel plate precision sheet metal laser cutting parts, the epitome of precision and quality in metal fabrication. With our cutting-edge technology and skilled craftsmen, we deliver meticulously crafted components that meet the most demanding standards of accuracy and excellence.

#### **Precision Laser Cutting Excellence:**

At [DONG FENG SHENGSHI], we leverage state-of-the-art CNC laser cutting machines to achieve precision cuts on stainless steel plates with unparalleled accuracy. Our advanced laser cutting technology enables us to produce intricate designs, sharp edges, and complex shapes, ensuring that each part is precisely cut to your exact specifications.

#### **Customized Solutions for Your Needs:**

We understand that no two projects are alike. That's why we offer customized solutions tailored to your specific requirements. Whether you need small, intricate parts for delicate assemblies or large, structural components for robust applications, our team works closely with you to deliver stainless steel plate sheet metal parts that perfectly fit your project's needs.

#### **Versatile Applications Across Industries:**

Our stainless steel plate precision sheet metal laser cutting parts find applications across a diverse range of industries, including:

**Electronics:** Precision-cut enclosures, chassis, and brackets for electronic devices.

**Automotive:** Engine components, exhaust systems, and structural reinforcements.

**Medical:** Surgical instruments, equipment housings, and device components.

**Aerospace:** Lightweight structural components, panels, and brackets for aircraft.

**Industrial Machinery:** Protective covers, frames, and mounts for machinery and equipment.

#### **Quality Craftsmanship You Can Trust:**

At [DONG FENG SHENGSHI], quality is ingrained in every step of our process. Each stainless steel plate precision sheet metal part undergoes stringent quality control checks to ensure dimensional accuracy, surface finish, and overall integrity. With our commitment to excellence, you can trust that every part meets or exceeds your expectations for quality and performance.

#### **Environmental Responsibility:**

We are dedicated to sustainability in our operations. Our stainless steel plate precision sheet metal laser cutting processes are designed to minimize waste and energy consumption, while our responsible sourcing practices ensure that our materials are ethically and sustainably procured. Partner with us and contribute to a greener, more sustainable future.

#### **Partner with Us for Your Metal Fabrication Needs:**

Whether you're a design engineer, project manager, or procurement specialist, [DONG FENG SHENGSHI] is your trusted partner for stainless steel plate precision sheet metal laser cutting parts. Contact us today to discuss your project requirements and experience the precision and quality that sets us apart.
