

High Precision Sheet Metal Fabrication SS Laser Cutting And Bending Sheet Metal

Our Product Introduction

for more products please visit us on metalstamp-parts.com

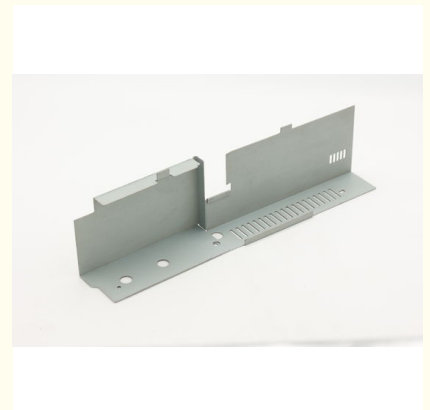

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +0.5~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Tolerance: +/- 0.01mm
- Thickness: 0.5mm-10mm
- Size: Customized
- Type: Stamping Parts
- Application: Automotive/Construction/Industrial
- Oem/Odm: Available
- Material: Iron/Steel
- Shape: Customized
- Finish: Smooth/Matt
- Color: Silver/Black
- Surface Treatment: Galvanized/Coated
- Highlight: **0.01mm High Precision Sheet Metal Fabrication, SS High Precision Sheet Metal Fabrication**

Product Description

Item	Description
Product Name	High Precision Sheet Metal Fabrication SS Laser Cutting And Bending Sheet Metal
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Wholesale Stainless Steel Precision Parts: Laser Cutting, Bending, and Stamping

Introduction: Welcome to our wholesale service for stainless steel precision parts, offering laser cutting, bending, and stamping capabilities. As a factory-direct supplier, we provide high-quality parts tailored to your specifications, ensuring reliability and precision for your projects.

Advanced Laser Cutting Technology: Our factory is equipped with state-of-the-art laser cutting technology, allowing us to precisely cut stainless steel sheets with exceptional accuracy. From intricate designs to complex shapes, our laser cutting processes deliver clean edges and tight tolerances, meeting the most demanding requirements.

Expert Bending Services: In addition to laser cutting, we offer expert bending services to shape stainless steel parts according to your needs. Our precision bending machinery ensures accurate angles and dimensions, allowing us to create parts with seamless integration and optimal functionality.

High-Quality Stamping Processes: With our advanced stamping processes, we produce stainless steel parts with uniformity and precision. Whether you need simple or complex stamped components, our skilled technicians and state-of-the-art equipment ensure consistent quality and reliability in every part.

Customization Options Available: We understand that every project is unique. That's why we offer customization options to meet your specific requirements. Whether you need different sizes, shapes, or finishes, our team works closely with you to ensure that your stainless steel parts are tailored to your exact specifications.

Quality Assurance Guaranteed: Quality is our top priority. Each stainless steel part undergoes rigorous quality control checks throughout the manufacturing process to ensure precision, accuracy, and reliability. With our commitment to excellence, you can trust that your parts will meet the highest standards of quality and performance.

Bulk Wholesale Orders Welcome: As a wholesale supplier, we welcome bulk orders of stainless steel precision parts. Whether you need large quantities for ongoing projects or one-time orders, we have the capacity and capabilities to fulfill your requirements with efficiency and reliability.

Contact Us Today: Ready to source high-quality stainless steel precision parts for your business? Contact us today to discuss your wholesale needs and discover how we can provide tailored solutions to meet your requirements. With our expertise, dedication, and commitment to excellence, we're here to support your success in the manufacturing industry.
