

Polished Laser Cutting Stamping Stainless Steel Parts And Bending Hardware Accessories

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Thickness: 0.5mm-10mm
- Process: Stamping
- Material: Iron/Steel
- Size: Customized
- Application: Industrial/Machinery
- Weight: Customized
- Finish: Smooth/Polished
- Tolerance: $\pm 0.01\text{mm}$
- Surface Treatment: Galvanized/Coated
- Color: Silver Or Customized
- Highlight: **smooth stainless steel stamping parts, smooth stamping stainless steel parts, polished stainless steel stamping parts**

Product Description

Item	Description
Product Name	Smooth / Polished Laser Cutting Stamping Stainless Steel Parts And Bending Hardware Accessories
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Customized Precision Mechanical Equipment and Hardware Accessories

Welcome to [DONG FENG SHENGSHI], your trusted partner for bespoke solutions in precision mechanical equipment and hardware accessories. With our state-of-the-art facility and a team of skilled professionals, we specialize in delivering custom-made components that meet the highest standards of quality, accuracy, and performance.

Precision Engineering:

At [DONG FENG SHENGSHI], precision is paramount. We leverage advanced technologies and meticulous craftsmanship to manufacture components with exacting precision. From intricate designs to complex geometries, our expertise ensures that every piece meets your specifications with unmatched accuracy.

Customization Options:

We understand that every project is unique. That's why we offer a wide range of customization options to suit your specific needs. Whether you require custom shapes, sizes, materials, or finishes, our team will work closely with you to bring your vision to life. From stainless steel to aluminum and beyond, we have the capabilities to fabricate components that align perfectly with your requirements.

Laser Cutting:

Our state-of-the-art laser cutting capabilities enable us to achieve unparalleled precision and efficiency in component fabrication. With laser cutting, we can effortlessly cut through a variety of materials, including metal, plastic, and wood, with minimal waste and maximum accuracy. Whether you need intricate patterns, sharp angles, or smooth curves, our laser cutting services deliver results that exceed expectations.

Bending and Forming:

In addition to laser cutting, our bending and forming processes allow us to shape and manipulate materials with precision and consistency. Whether it's simple bends or complex geometries, our skilled technicians ensure that every component meets your exact specifications, with tight tolerances and flawless finishes.

Hardware Accessories:

In addition to precision mechanical equipment, we also specialize in manufacturing a wide range of hardware accessories to complement your projects. From brackets and fasteners to mounts and hinges, our hardware accessories are designed to integrate seamlessly with your systems, providing reliable support and functionality.

Quality Assurance:

Quality is ingrained in everything we do. From initial design to final inspection, we adhere to rigorous quality standards to ensure that every component meets our stringent criteria for performance and reliability. Our commitment to quality means that you can trust our products to perform flawlessly in even the most demanding applications.

Partner with Us:

Whether you're in need of custom mechanical components, hardware accessories, or both, [Your Company Name] is here to help. Partner with us for personalized service, exceptional quality, and unparalleled expertise in precision engineering.
