

Black spray custom sheet metal shell laser cutting metal stamping parts

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Size: Customized Size
- Color: Customized Color
- Logo: Customized
- Material: Stainless Steel, aluminum, Metal/Steel/Aluminum/Stainless Steel
- Type: Control Box, Distribution Box
- Product Name: Sheet Metal Tool Box, sheet Metal Fabrication, sheet Metal Aluminum Power Supply Battery Enclosure
- Tolerance: 0.01-0.05mm, ± 0.05 mm, Negotiable
- Precision: ± 0.05 -0.1mm
- Highlight: **Black Custom Sheet Metal Enclosure, Custom Sheet Metal Enclosure Laser Cutting, Laser Cutting Sheetmetal Enclosure**

Product Description

Item	Description
Product Name	Black spray custom sheet metal shell laser cutting metal stamping parts
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manipulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Our factory offers direct sales of customized precision machine boxes and shells, utilizing advanced sheet metal laser cutting services. We are dedicated to providing high-quality, tailor-made solutions for various industrial and commercial applications. Below are the key features and benefits of our product:

Key Features:

High-Quality Materials: We use top-grade sheet metal materials, including steel, aluminum, and stainless steel, ensuring durability, strength, and resistance to corrosion.

Precision Laser Cutting: Advanced laser cutting technology enables us to achieve precise and intricate cuts, ensuring high accuracy and clean edges for all parts.

Custom Fabrication: We offer bespoke fabrication services, allowing you to customize dimensions, shapes, and designs to meet your specific requirements.

Versatile Finishes: Available finishing options include powder coating, anodizing, and plating, which enhance the appearance and durability of the machine boxes and shells.

Benefits:

Durability and Strength: Our customized machine boxes and shells are designed to withstand heavy use and harsh environments, making them suitable for a wide range of applications.

High Precision and Accuracy: With state-of-the-art laser cutting technology, we ensure that each part meets the highest standards of precision and accuracy.

Customization Options: Our comprehensive customization services enable you to specify every detail, ensuring the final product perfectly matches your needs.

Applications:

Machine Boxes: Our precision-cut machine boxes are ideal for housing various types of industrial and commercial machinery, providing robust protection and structural integrity.

Equipment Shells: Custom-designed shells are used to encase sensitive equipment, offering both protection and aesthetic appeal.

Industrial Enclosures: We manufacture enclosures that safeguard electronics and other equipment from environmental factors, ensuring longevity and reliability.

Why Choose Us?

Expertise and Experience: With extensive experience in sheet metal fabrication and laser cutting, we deliver products that meet the most demanding industry standards.

State-of-the-Art Facilities: Our factory is equipped with the latest laser cutting technology and machinery, ensuring efficient and precise manufacturing processes.

Customer Focus: We prioritize customer satisfaction, providing exceptional service from initial consultation and design to final production and delivery.
