

## Factory customized wholesale prices exclusively for hardware stamping and forming components

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

#### Product Specification

- Color: Silver Or Customized
- Corrosion Resistance: Yes
- Material: SECC-QS1
- Durability: High
- Usage: ATM Machines
- Size: Standard
- Precision: High
- Highlight: **customized sheet metal enclosure,  
customized sheet metal fabrication**

## Product Description

Item	Description
Product Name	Factory customized wholesale prices exclusively for hardware stamping and forming components
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Unlock unparalleled efficiency and cost-effectiveness for your ATM systems with our factory-customized wholesale prices exclusively for hardware stamping and forming components. As a trusted provider of ATM hardware, we specialize in delivering high-quality solutions tailored to your specifications while offering competitive pricing from our manufacturing facilities.

### Factory-Customized Wholesale Prices:

Benefit from our factory-customized wholesale prices, meticulously crafted to meet your precise requirements. With our efficient manufacturing processes and economies of scale, we offer competitive pricing for hardware stamping and forming components, ensuring cost-effectiveness for your ATM systems.

### Hardware Stamping and Forming Expertise:

Experience precision engineering and superior craftsmanship with our hardware stamping and forming components. Leveraging advanced techniques and machinery, we produce components with consistent quality, accuracy, and efficiency, meeting the rigorous demands of ATM applications.

### High-Quality Manufacturing:

Sourced from our state-of-the-art manufacturing facilities, our components are crafted from high-quality materials and manufactured with precision engineering techniques. We ensure adherence to strict quality control measures to guarantee reliability and durability in ATM systems.

### Customization Tailored to Your Needs:

Understanding the unique requirements of ATM systems, our team provides flexible customization options for dimensions, designs, and finishes. This ensures that each component meets your expectations and integrates seamlessly into your ATM systems.

### Trusted Provider of ATM Components:

As a trusted provider of ATM hardware, we are committed to delivering exceptional products and services that exceed customer expectations. With our factory-customized wholesale prices exclusively for hardware stamping and forming components, you can trust us to provide reliable solutions for your ATM systems.

Upgrade your ATM systems with our precision-engineered components at wholesale prices. Contact us today to discuss your

requirements and discover how our solutions can enhance the performance and reliability of your ATM machines.
