

## Customized aluminum profile laser cutting parts, stainless steel metal plate stamping and welding manufacturing

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

#### Product Specification

- Corrosion Resistance: Yes
- Material: SECC-QS1
- Durability: High
- Usage: ATM Machines
- Size: Standard
- Precision: High
- Highlight: customized atm metal parts,  
customized stamping metal parts,  
aluminum atm metal parts

## Product Description

Item	Description
Product Name	Customized aluminum profile laser cutting parts, stainless steel metal plate stamping and welding manufacturing
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manipulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

*Achieve cost-effective excellence with our low-priced customized aluminum profile laser cutting parts, stainless steel metal plate stamping, and welding manufacturing services. As a trusted provider of ATM components, we specialize in delivering high-quality solutions tailored to meet your specific requirements without compromising on reliability.*

### **Cost-Effective Customization:**

*Benefit from our low-priced customization options tailored to your precise needs. Whether you require custom aluminum profile laser cutting parts, stainless steel metal plate stamping, or welding manufacturing, our solutions are designed to offer maximum value without sacrificing quality.*

### **Precision Laser Cutting Technology:**

*Leveraging advanced laser cutting technology, we produce precision-engineered aluminum profile parts with intricate detailing and accuracy. Our laser-cut components offer clean edges, smooth surfaces, and consistent dimensions, ensuring optimal performance and reliability in ATM systems.*

### **Expert Stainless Steel Stamping and Welding:**

*Our expertise in stainless steel stamping and welding manufacturing ensures the durability and strength of your ATM components. With precise stamping techniques and expert welding processes, we deliver stainless steel parts that meet the stringent demands of ATM environments.*

### **Rigorous Quality Assurance:**

*Quality is our top priority, and we adhere to rigorous quality assurance measures throughout the manufacturing process. Each aluminum profile part and stainless steel component undergoes comprehensive inspection and testing to ensure compliance with industry standards, guaranteeing reliability and durability in ATM systems.*

### **Customization Tailored to Your Needs:**

*We understand that every ATM system has unique requirements, which is why we offer customized solutions tailored to your specific needs. Whether you need custom dimensions, intricate designs, or specialized finishes, our team can accommodate your requirements and deliver ATM parts that meet your expectations.*

### **Trusted Provider of ATM Components:**

*As a trusted provider of ATM components, we are committed to delivering exceptional products and services that exceed customer expectations. With our low-priced customized aluminum profile laser cutting parts, stainless steel metal plate stamping, and welding manufacturing, you can trust us to provide reliable solutions for your ATM systems.*

*Upgrade your ATM systems with our cost-effective, precision-engineered ATM components. Contact us today to discuss your requirements and discover how our solutions can enhance the performance and reliability of your ATM machines.*
