

## Customized Hardware ATM Parts Stainless Steel Aluminum Stamping Metal Stamp Parts

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

#### Product Specification

- Color: Silver Or Customized
- Corrosion Resistance: Yes
- Material: SUS304-CP-2B
- Durability: High
- Usage: ATM Machines
- Size: Customized
- Precision: High
- Highlight: **Customized Hardware ATM Parts,  
ATM Parts Stainless Steel,  
ATM Parts Aluminum Stamping**

## Product Description

Item	Description
Product Name	Customized Hardware ATM Parts Stainless Steel Aluminum Stamping Metal Stamp Parts
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manipulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

*Elevate the performance and durability of your ATM systems with our customized hardware ATM parts crafted from stainless steel and aluminum using precision metal stamping techniques. As a leading provider of ATM components, we specialize in delivering high-quality, tailored solutions to meet your specific requirements.*

### **Precision Metal Stamping Excellence:**

*At our state-of-the-art manufacturing facility, we employ advanced metal stamping techniques to ensure precision engineering in every component. Our expertise in stainless steel and aluminum stamping allows us to create intricate designs with impeccable accuracy, ensuring optimal functionality in ATM systems.*

### **Durable Stainless Steel and Aluminum Construction:**

*Our customized ATM parts are crafted from high-grade stainless steel and aluminum materials known for their durability and corrosion resistance. Whether it's enclosures, fascias, or internal components, our stainless steel and aluminum parts offer long-lasting performance in demanding ATM environments.*

### **Versatile Customization Options:**

*We understand that every ATM system is unique, which is why we offer versatile customization options to meet your specific requirements. From size and shape to finish and surface treatment, our team can tailor each component to seamlessly integrate with your ATM systems and design specifications.*

### **Rigorous Quality Assurance:**

*Quality is our top priority, and we adhere to strict quality assurance protocols throughout the manufacturing process. Each ATM part undergoes comprehensive inspection and testing to ensure compliance with industry standards, providing you with reliable and durable components that meet your expectations.*

### **Expert Engineering Support:**

*Our team of experienced engineers and technicians is dedicated to providing expert support and guidance at every stage of your project. From initial concept to final delivery, we work closely with you to ensure that your customized ATM parts meet your requirements and exceed your expectations.*

**Trusted Supplier:**

*As a trusted supplier of ATM components, we are committed to delivering exceptional products and services that exceed customer expectations. With our customized hardware ATM parts crafted from stainless steel and aluminum stamping, you can trust us to provide reliable solutions for your ATM systems.*

*Upgrade your ATM systems with our customized hardware ATM parts crafted from stainless steel and aluminum stamping. Contact us today to discuss your requirements and discover how our high-quality, tailored solutions can enhance the performance and reliability of your ATM machines.*
