

Industry Precision Bending Welding Parts Customized ATM Parts Stamped SPCC-SD

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Color: Silver Or Customized
- Corrosion Resistance: Yes
- Material: SPCC-SD
- Durability: High
- Usage: ATM Machines
- Size: Customized
- Precision: High
- Highlight: Industry Precision Bending Welding Parts,
Customized ATM Parts Stamped,
ATM Parts Stamped SPCC-SD

Product Description

Item	Description
Product Name	Industry Precision Bending Welding Parts Customized ATM Parts Stamped SPCC-SD
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Enhance the efficiency and reliability of your ATM systems with our industry wholesale price precision bending and welding parts, customized to meet your exact requirements. As a leading provider of ATM components, we specialize in delivering high-quality, cost-effective solutions tailored to your specifications.

Precision Engineering Excellence:

At our advanced manufacturing facility, we utilize cutting-edge technology and expert craftsmanship to achieve precision engineering in every component. Our bending and welding processes ensure meticulous alignment and durability, guaranteeing superior performance in ATM systems.

Versatile Manufacturing Solutions:

With our expertise in precision bending and welding, we offer a wide range of customizable solutions for ATM parts. Whether you require robust enclosures, durable fascias, or intricate components, our versatile manufacturing capabilities can meet the demands of any ATM system.

Competitive Wholesale Pricing:

As an industry wholesale supplier, we understand the importance of cost-effectiveness. Our streamlined manufacturing processes and bulk purchasing options enable us to offer competitive wholesale pricing, allowing you to maximize your budget without compromising on quality.

Customization Flexibility:

We recognize that every project is unique, which is why we offer flexible customization options for size, shape, material, and finish. Whether you need a specific dimension or a custom surface treatment, our team can accommodate your exact requirements and design preferences.

Rigorous Quality Assurance:

Quality is our top priority, and we uphold the highest standards of quality assurance throughout the manufacturing process. Each component undergoes thorough inspection and testing to ensure compliance with industry standards, providing you with reliable and durable ATM parts.

Expert Support and Guidance:

Our team of experienced engineers and technicians is dedicated to providing expert support and guidance at every stage of your project. From initial consultation to final delivery, we work closely with you to ensure that your customized ATM parts meet your expectations and project requirements.

Trusted Supplier:

As a trusted supplier of ATM components, we are committed to delivering exceptional products and services that exceed customer expectations. With our industry wholesale price precision bending and welding parts, you can trust us to provide reliable solutions for your ATM systems.

Upgrade your ATM systems with our industry wholesale price precision bending and welding parts. Contact us today to discuss your requirements and discover how our high-quality, customizable solutions can enhance the performance and reliability of your ATM machines.
