

SPCC-SD Galvanized SUS430 Long Hinge Fabrication Iron Hinge Hardware

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Materia: SPCC-SD
- Thickness: 2.0mm
- Dimension: L400*W45.6mm
- Axes: SUS430 $\phi 5.0$ *L399mm
- Surface Finish: Environmentally Friendly Non Electrolytic Nickel
- Application: ATM Cabinet Connection Accessories, Suitable For Various Types Of Cabinets Such As Distribution Cabinets, Communication Cabinets, Instrument Boxes, Control Boxes, Etc
- Precision: GB/T1804-f
- Highlight: **Galvanized SUS430 Long Hinge, SUS430 Long Hinge Fabrication, Fabrication Iron Hinge Hardware**

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Item	Description
Product Name	SPCC-SD Galvanized SUS430 Long Hinge Fabrication Iron Hinge Hardware
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Upgrade your projects with our premium hinge solutions manufactured from stainless steel galvanized sheet metal. Our long hinge hardware wholesale offers unparalleled durability and functionality, making them the ideal choice for a wide range of applications.

Key Features:

Stainless Steel Galvanized Sheet: Crafted from high-quality stainless steel galvanized sheet metal, our hinges boast exceptional corrosion resistance, ensuring longevity and reliability even in challenging environments.

Long Hinge Design: Designed for extended length and durability, our long hinges provide robust support and stability for heavy doors, gates, cabinets, and other fixtures.

Wholesale Hardware: Available for wholesale purchase, our hinge hardware offers cost-effective solutions for large-scale projects, ensuring excellent value without compromising on quality.

Versatile Applications: Suitable for a variety of applications, including residential, commercial, and industrial settings, our hinges provide secure and reliable operation in doors, gates, cabinets, and more.

Advantages:

Premium Quality: Manufactured to the highest industry standards, our hinges deliver superior performance, reliability, and longevity, meeting the demands of even the most demanding projects.

Corrosion Resistance: With their stainless steel galvanized sheet construction, our hinges are resistant to rust, corrosion, and wear, ensuring they maintain their integrity and appearance over time.

Sturdy and Durable: Engineered for strength and durability, our long hinges provide stable and secure support for heavy doors and gates, minimizing sagging and ensuring smooth operation.

Easy Installation: Designed for easy installation, our hinges come with pre-drilled holes and mounting hardware, allowing for quick and hassle-free setup in various applications.

Bulk Ordering Options: With wholesale hardware options available, you can purchase our hinges in bulk quantities, saving time and money on large-scale projects.

Applications:

Residential: Perfect for use in residential doors, gates, cabinets, and furniture, our hinges provide reliable operation and long-lasting durability for homeowners and contractors alike.

Commercial: Ideal for commercial applications such as storefronts, offices, and warehouses, our hinges offer secure and reliable support for heavy doors and gates, ensuring safety and security.

Industrial: Trusted by industrial facilities, factories, and manufacturing plants, our hinges provide robust support and stability for machinery, equipment, and industrial doors.

Get in Touch:

Enhance your projects with our premium stainless steel galvanized sheet metal hinges. Contact us today to discuss your requirements and explore our wholesale hardware options for long hinge hardware.
