## Custom Aluminium Heat Sink Extrusion ODM Anodized Aluminum Heat Sink

#### **Basic Information**

Place of Origin: China Minimum Order Quantity: 1000

• Price: \$+1~10+Pcs

• Delivery Time: 15-20

• Payment Terms: L/C, D/A, D/P, T/T, Western Union,

MoneyGram

• Supply Ability: 3000+pcs+Month

#### **Product Specification**

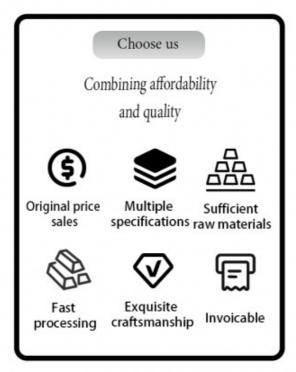

Material: Aluminum Profiles
Specifications: D=123MM,H=63.5MM
Top: Heat Sink Adapter 51
Keywords: Aluminum Heat Sink

• Lead Time: 2-3weeks, Determined By Your Quantity And

**Detailed Requirements** 

Service: OEM/ODM, Custom Aluminum Heat Sink
Highlight: custom aluminium heat sink extrusion, odm anodized aluminum heat sink, aluminium heat sink extrusion odm

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Material	Aluminum profiles	Delivery time	20days
Price	\$1~10/pcs	Packing	12 in a box
specifications	D=123MM,H=63.5MM	Service	Custom alumi num heat sink

# About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an IOS9001 certified factory. The company has been committed to the research and develo pment, production and sales of hardware molds, ATM components, precision hinges, tam ping parts, mechanical components, heat sinks, display hooks, and anti-theft series produc ts. The company's main markets include North America, South America, Europe, Japan, Au stralia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipmen t, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management depart ment's projectors, anime/cubic, hardness meters, altimeters, film thickness testers and oth er testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the fou ndation, continuous improvement and innovation, and continuous provision of high-qua lity products", constantly explores and strives to establish a good external image for the p rosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance to gether!

#### After sales instructions

#### 1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

#### 2. What about the lead time?

A: 15-30 working days for mass production.

#### 3.Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

#### 4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

#### 5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

#### 6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

#### 7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

## management

### customization

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Item	Description
Item	Description
Product Name	Custom Aluminium Heat Sink Extrusion ODM Anodized Aluminum Heat Sink
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, Ecating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Discover top-quality thermal management solutions with our Spare Parts Aluminum Heat Sink. As a leading manufacturer, we take pride in delivering superior heat sink products crafted with precision and expertise, all offered at factory-direct prices.

#### **Key Features:**

**Premium Aluminum Construction:** Crafted from high-quality aluminum alloys, our heat sinks ensure excellent thermal conductivity and durability.

**Optimized Design:** Engineered with optimized fin structures and profiles, our heat sinks maximize surface area for efficient heat dissipation, keeping your components cool under demanding conditions.

**Customization Options:** Our heat sinks are fully customizable, allowing you to tailor dimensions, shapes, fin designs, and surface finishes to match your specific requirements.

**Factory-Direct Pricing:** By eliminating intermediaries, we offer competitive factory prices without compromising on quality, ensuring cost-effective solutions for your thermal management needs.

**Top-Quality Manufacturing:** Utilizing state-of-the-art equipment and stringent quality control processes, we guarantee top-quality heat sinks that meet industry standards and exceed expectations.

#### Advantages:

**Superior Thermal Performance:** Our heat sinks deliver exceptional thermal management, preventing overheating and ensuring the reliable operation of your electronic components.

**Cost-Effective Solutions:** With our factory-direct pricing and efficient manufacturing processes, we provide cost-effective solutions that offer excellent value for your investment.

**Customized Solutions:** We collaborate closely with our clients to understand their specific needs and deliver customized heat sink solutions that meet their exact requirements.

**Reliable Supply:** With our robust production capabilities and efficient logistics, we ensure timely delivery of top-quality heat sinks to meet your project deadlines.

#### **Applications:**

**Electronics:** Ideal for cooling electronic components such as CPUs, GPUs, power transistors, and voltage regulators.

**LED Lighting:** Used in LED heat sink assemblies to maintain optimal operating temperatures and extend the lifespan of LED fixtures.

Automotive: Applied in automotive electronics, battery management systems, and LED headlights to dissipate heat generated during operation.

Industrial Equipment: Suitable for industrial machinery, power supplies, inverters, and other high-power applications requiring efficient thermal management.

#### Get in Touch:

Experience the reliability and performance of our Spare Parts Aluminum Heat Sink at factory-direct prices. Contact us today to discuss your requirements and secure top-quality thermal management solutions for your projects.
