

Customized design radiator aluminum radiator extrusion

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: Aluminum Profiles
- Specifications: L=79MM,W=45MM,H=12MM
- Product Name: Aluminum Extrusion Profile
- Top3:
 - Extrude Heat Sink
 - Graphite Heat Sink
 - Computer Stacked Fin Heat Sink
- Keywords: Aluminum Heat Sink
- Lead Time: 2-3weeks,Determined By Your Quantity And Detailed Requirements
- Highlight: **Custom Design Silver Heat Sink,
Silver Heat Sink Aluminium,
Silver Aluminium Heat Sink Extrusion**

About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tampering parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Item	Description
Product Name	Customized design radiator aluminum radiator extrusion
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Experience superior thermal management with our Custom Design Silver Heat Sink Aluminum, proudly crafted in China. Designed to meet your unique specifications and requirements, our aluminum heat sinks offer efficient heat dissipation and durability, ensuring optimal performance for your electronic devices.

Key Features:

Customized Design: Our heat sinks are fully customizable to match your exact requirements, including dimensions, shapes, fin configurations, and surface finishes.

High-Quality Aluminum: Constructed from premium-grade aluminum alloys, our heat sinks provide excellent thermal conductivity and corrosion resistance for long-lasting performance.

Precision Manufacturing: Utilizing advanced manufacturing processes and state-of-the-art equipment, we ensure precise dimensions and tight tolerances for optimal thermal performance.

Efficient Heat Dissipation: Designed with optimized fin designs and profiles, our heat sinks maximize surface area to dissipate heat effectively, keeping your devices cool under demanding conditions.

Sleek Silver Finish: Finished with a sleek silver coating, our heat sinks not only provide superior thermal management but also enhance the aesthetic appeal of your electronic products.

Advantages:

Tailored Solutions: We collaborate closely with our clients to understand their specific requirements and provide customized heat sink solutions that meet their exact needs.

Cost-Effective Manufacturing: With our efficient manufacturing processes and competitive pricing, we offer cost-effective solutions without compromising on quality or performance.

Reliable Quality: Our heat sinks undergo rigorous quality control checks throughout the production process to ensure consistent quality and reliability.

Timely Delivery: Leveraging our strategic location in China and efficient logistics, we ensure prompt delivery of your custom-designed heat sinks to meet project deadlines.

Applications:

Electronics: Ideal for cooling electronic components such as CPUs, GPUs, power transistors, and voltage regulators.

LED Lighting: Used in LED heat sink assemblies to maintain optimal operating temperatures and prolong LED lifespan.

Automotive: Suitable for automotive applications including motor controllers, battery management systems, and LED headlights.

Industrial Equipment: Applied in industrial machinery, power supplies, and inverters to dissipate heat generated during operation.

Get in Touch:

Ready to elevate the thermal management of your electronic devices with our Custom Design Silver Heat Sink Aluminum? Contact us today to discuss your requirements and start the customization process.
