

## Custom Extruded Aluminum Heat Sink Aluminium Sheet Heat Sink

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

#### Product Specification

- Material: Aluminum Profiles
- Specifications: L=54.5MM,W=51MM,T=15MM
- Top: Heat Sink Adapter 51, Graphite Heat Sink
- Keywords: Aluminum Heat Sink
- Lead Time: Determined By Your Quantity And Detailed Requirements
- Service: OEM/ODM, Custom Aluminum Heat Sink
- Highlight: **odm aluminium sheet heat sink,**  
**custom aluminium heat sink,**  
**custom aluminium sheet heat sink**

# About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tapping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

### 1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

### 2. What about the lead time?

A: 15-30 working days for mass production.

### 3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

### 4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

## 5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

## 6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

## 7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Item	Description
Product Name	Custom Extruded Aluminum Heat Sink Aluminium Sheet Heat Sink
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Welcome to [DONG FENG SHENGSHI], your premier destination for custom extruded aluminum heat sinks. As a leading manufacturer in the industry, we specialize in crafting high-quality, bespoke heat sinks tailored to meet your exact specifications and thermal management needs.

#### About Us:

At [DONG FENG SHENGSHI], we combine cutting-edge technology with expert craftsmanship to deliver superior heat sink solutions for a wide range of applications. With years of experience and a commitment to excellence, we have established ourselves as a trusted partner for businesses seeking reliable thermal management solutions.

#### Key Features:

- Customization:** Our factory specializes in custom extrusion, allowing us to create heat sinks in a variety of shapes, sizes, and configurations to fit your unique requirements.
- High-Quality Materials:** We use premium-grade aluminum alloys known for their excellent thermal conductivity, durability, and corrosion resistance, ensuring long-lasting performance.
- Precision Manufacturing:** Our state-of-the-art facilities are equipped with advanced machinery and tools, enabling us to achieve tight tolerances and precise geometries for optimal thermal performance.
- Versatility:** Whether you need heat sinks for electronics, LED lighting, power supplies, or industrial machinery, we have the expertise to deliver solutions tailored to your specific application.
- Surface Finishing:** We offer a range of surface finishing options, including anodizing, powder coating, and polishing, to enhance the appearance and durability of your heat sinks.

#### Advantages:

- Custom Solutions:** We work closely with you to understand your thermal management needs and provide customized solutions that meet your exact specifications and performance requirements.
- Quality Assurance:** Our factory adheres to strict quality control measures throughout the manufacturing process to ensure that every heat sink meets the highest standards of quality and reliability.
- Competitive Pricing:** With efficient production processes and cost-effective manufacturing techniques, we offer competitive pricing without compromising on quality.
- Timely Delivery:** We understand the importance of meeting deadlines, and our streamlined production and logistics processes enable us to deliver your custom heat sinks on time, every time.

**Get in Touch:**

*Ready to discuss your custom heat sink requirements?Contact us today to speak with one of our knowledgeable representatives and discover how we can help you achieve optimal thermal management for your products.*
