

Industrial Aluminum Extrusion Profile Custom Aluminum Heat Sink

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: Aluminum Profiles
- Specifications: L=86MM,W=50.5MM,H=32MM
- Top2: Heat Sink Adapter
- Top1: Computer Stacked Fin Heat Sink
- Keywords: Aluminum Heat Sink
- Lead Time: Determined By Your Quantity And Detailed Requirements
- Service: OEM/ODM,Custom Aluminum Heat Sink
- Highlight: industrial aluminum extrusion profile,
aluminum extrusion profile custom,
custom black anodized aluminum heat sink

About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tapping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Item	Description
Product Name	Industrial Aluminum Extrusion Profile Custom Aluminum Heat Sink
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

Our Custom Industrial Aluminum Extrusion Profile Heat Sink offers exceptional thermal management capabilities, tailored to meet the specific requirements of industrial applications. Crafted with precision and expertise, these aluminum extrusion profiles are designed to effectively dissipate heat, ensuring optimal performance and reliability in demanding environments.

Key Features:

Customized Design: Our industrial aluminum extrusion profiles are fully customizable, allowing for the creation of unique shapes and configurations to suit your exact specifications and thermal management needs.

Optimized Thermal Performance: Engineered with advanced heat sink designs and high thermal conductivity aluminum alloys, our profiles efficiently transfer heat away from critical components, preventing overheating and ensuring stable operation.

Robust Construction: Constructed from high-quality aluminum alloys, our extrusion profiles offer excellent strength, durability, and corrosion resistance, making them suitable for use in harsh industrial environments.

Versatile Applications: Suitable for a wide range of industrial applications, including electronics, automotive, machinery, and renewable energy, our profiles provide versatile solutions for thermal management challenges.

Advanced Services:

Custom Extrusion: Our advanced extrusion process allows for the creation of complex shapes and profiles with tight tolerances, ensuring optimal thermal performance and compatibility with your systems.

Precision Machining: With state-of-the-art machining capabilities, we provide precision cutting, drilling, and milling services to achieve the desired dimensions and specifications for your heat sink profiles.

Surface Finishing: We offer various surface finishing options, including anodizing, powder coating, and polishing, to enhance the appearance, durability, and corrosion resistance of your aluminum extrusion profiles.

Advantages:

Tailored Solutions: We work closely with you to understand your specific requirements and provide customized solutions that meet your exact specifications and performance goals.

High-Quality Materials: Our extrusion profiles are manufactured from premium-grade aluminum alloys, ensuring exceptional

durability, thermal conductivity, and performance.

Expert Engineering: With a team of experienced engineers and technicians, we ensure that every extrusion profile meets the highest standards of quality, reliability, and performance.

Timely Delivery: With efficient production processes and streamlined logistics, we ensure prompt delivery of your custom industrial aluminum extrusion profiles to meet your project deadlines.

Whether you need custom extrusion profiles for electronic enclosures, LED lighting fixtures, or machinery components, our Custom Industrial Aluminum Extrusion Profile Heat Sink provides the versatility, performance, and reliability you need for your industrial applications.
