

High Precision Aluminum Alloy Heat Sink Customized Aluminum Extruded Heat Sink

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: Aluminum Profiles
- Specifications: L=94MM,W=32MM,H=20MM
- Grade: Aluminum+heat Pipes,Aluminum 1070
- Top3: Tec Heat Sink Cnc Parts Supply
- Top2: Heat Sink Adapter 51
- Top1: Round Black Anodizing Automotive Vape Heat Sink
- Keywords: Aluminum Heat Sink
- Lead Time: 2-3weeks,Determined By Your Quantity And Detailed Requirements
- Service: OEM/ODM,Custom Aluminum Heat Sink
- Highlight: **precision aluminum alloy heat sink,
aluminum alloy heat sink customized,
customized aluminum extruded heat sink**

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tapping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Item	Description
Product Name	High Precision Aluminum Alloy Heat Sink Customized Aluminum Extruded Heat Sink
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

We offer high-quality aluminum extrusion part services, specializing in customized metal aluminum heat sinks. These heat sinks are ideal for heat treatment and cooling of electronic devices and other heat-sensitive equipment.

Product Features:

High-Precision Customization: Each heat sink is customized according to the specific requirements and specifications of the customer, ensuring it fully meets their needs.

Premium Aluminum Extrusions: We use high-quality aluminum extrusions to ensure lightweight and durability of the product.

Excellent Heat Dissipation Performance: Optimized heat sink fins and structure effectively enhance heat dissipation efficiency, maintaining stable temperature operation of the equipment.

Multiple Surface Treatment Options: We offer various surface treatment options, including anodizing, sandblasting, and painting, to meet different appearance and durability requirements.

Wide Applications: Suitable for various electronic devices, LED luminaires, power modules, etc., providing reliable heat dissipation solutions for equipment.

Advantages:

Professional Customization Service: With rich experience and expertise, we can meet various customization requirements of customers and provide professional advice and support.

High-Quality Standards: All products are manufactured and inspected according to strict quality standards, ensuring stable and reliable quality of each heat sink.

Timely Delivery: We can respond quickly to customer needs and provide timely delivery services, ensuring projects are completed on time.

Usage Scenarios:

Electronic Devices: Including computers, communication equipment, power modules, etc.

LED Lighting: Heat dissipation solutions for LED luminaires and lighting systems.

Industrial Applications: Suitable for industrial automation equipment, cabinets, etc.

Whatever your requirements, we can provide high-quality customized aluminum heat sinks, offering excellent heat dissipation performance and reliability for your products.
