

Customized Stainless Steel Pipe Clips Bending And Stamping Parts

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: SUS316 2B
- Specifications: H=20MM, T=1.2MM, D=90MM
- Surface Treatment: Electro galvanizing Or Customized
- Weight: 0.5 Lbs
- Application: Piping Systems
- Corrosion Resistance: High
- Country Of Origin: China
- Clamping Range: 0.5-1 Inch
- Highlight: customized stainless steel pipe clips,
stainless steel pipe clips bending,
oem stainless pipe clips

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an IOS9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tampering parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anime/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Item	Description
Product Name	Customized Stainless Steel Pipe Clips Bending And Stamping Parts
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

We specialize in providing OEM customized precision stainless steel fasteners, along with bending and stamping parts services. Our expertise lies in delivering high-quality components tailored to meet your specific requirements with precision and reliability.

Key Features:

OEM Customization: Our OEM services enable us to customize precision stainless steel fasteners according to your unique specifications and requirements. Whether you need bolts, screws, nuts, or other fasteners, we can manufacture them to your exact dimensions and tolerances.

Precision Stainless Steel: We use high-grade stainless steel material to ensure superior corrosion resistance, durability, and strength for our fasteners. This makes them ideal for use in various industries and applications where reliability is paramount.

Bending and Stamping Parts: In addition to fasteners, we offer bending and stamping parts services to create customized components for your specific needs. Our advanced bending and stamping processes allow us to produce intricate shapes and forms with precision and consistency.

Quality Assurance: We adhere to strict quality control measures throughout the manufacturing process to ensure that every component meets the highest standards of quality and performance. From material selection to final inspection, we prioritize quality in everything we do.

Applications:

Automotive industry: Fasteners, brackets, and connectors for vehicle assembly and repairs.

Electronics: Sheet metal enclosures, brackets, and components for electronic devices and appliances.

Industrial machinery: Precision components and fasteners for machinery and equipment assembly.

Aerospace: Stamped parts and fasteners for aerospace applications.

Construction: Metal brackets, clips, and fasteners for construction projects and infrastructure.

Contact Us:

If you're in need of OEM customized precision stainless steel fasteners, bending, and stamping parts, please contact us to discuss your project requirements. We're committed to providing you with high-quality solutions that meet your needs and

exceed your expectations.
