

Customized Small Fastener Parts Stainless Steel Sheet Metal Bending and Cutting Services

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: SUS304
- Specifications: L=41MM,W=30MM,H=20MM,T=1.6MM
- Connection Type: Threaded
- Temperature Range: Up To 300°F
- Type: Adjustable
- Corrosion Resistance: Yes
- Application: Piping System
- Maximum Pressure: 150 PSI
- Highlight: Customized Small Fastener Parts,
Stainless Steel Sheet Metal Laser Cutting,
Small Fastener Parts Stainless Steel

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tapping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Item	Description
Product Name	Customized Small Fastener Parts Stainless Steel Sheet Metal Bending and Cutting Services
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

We specialize in providing customized small fastener parts and stainless steel sheet metal manufacturing services.Our offerings include precision laser cutting and stamping services, ensuring high-quality components tailored to your exact specifications.

Key Features:

Customization: Our small fastener parts are fully customizable to meet your unique requirements.Whether you need bolts, screws, nuts, or other fasteners, we can produce them to your exact specifications.

Stainless Steel Sheet Metal Manufacturing: Our stainless steel sheet metal manufacturing capabilities allow us to create a wide range of components, including brackets, enclosures, and connectors. We use high-quality stainless steel materials to ensure durability and longevity.

Laser Cutting Services: With our precision laser cutting services, we can cut intricate shapes and designs with exceptional accuracy. This allows for precise customization and minimizes material waste, resulting in cost-effective solutions.

Stamping: Our stamping services enable us to create complex shapes and forms on sheet metal surfaces.Whether you need holes, slots, or other custom features, our stamping process delivers precise results for your specific applications.

Applications:

Automotive industry: Fasteners, brackets, and connectors for vehicle assembly and repairs.

Electronics: Sheet metal enclosures, brackets, and components for electronic devices and appliances.

Industrial machinery: Precision components and fasteners for machinery and equipment assembly.

Aerospace: Stamped parts and fasteners for aerospace applications.

Construction: Metal brackets, clips, and fasteners for construction projects and infrastructure.

Contact Us:

If you're in need of customized small fastener parts, stainless steel sheet metal manufacturing, laser cutting services, or stamping, please contact us to discuss your project requirements. We're committed to providing high-quality solutions that meet your needs and exceed your expectations.
