

Customized Stainless Steel Fastener Galvanized Sheet Metal Bending And Stamping

Our Product Introduction

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: Zinc Flower Board
- Specifications: L=158MM,W=20MM,H=25MM,T=2.0MM
- Application: Piping System
- Usage: Fixing And Supporting Pipes
- Finish: Galvanizing
- Temperature Range: Up To 300°F
- Type: Single Pipe Clamp
- Corrosion Resistance: High
- Highlight: Customized Stainless Steel Fastener,
Galvanized Sheet Metal Bending And Stamping

Invoicable

Material	<u>Zinc flower board</u>	Delivery time	<u>20days</u>
Price	<u>\$1~10/pcs</u>	Finish	<u>galvanizing</u>
specifications	<u>L=158MM,W=20MM</u>	Packing	12 in a box

About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an ISO9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tampering parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anemometer/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

5. How to proceed an order for?

- 1) Firstly let us know your requirements or application.
- 2) Secondly We quote according to your requirements or our suggestions.
- 3) Thirdly customer confirms the samples and places deposit for formal order.
- 4) Fourthly We arrange the production.

6. what to be clearly indicated when I send you drawing?

A: You are kindly requested to let us know the raw material, finish and quantity at least.

7: What if we are not completely satisfied with the parts we re-

A: We will replace any parts that you are not satisfied with free of charge. If we make a mistake, we will work with you to correct it.

Item	Description
Product Name	Customized Stainless Steel Fastener Galvanized Sheet Metal Bending And Stamping
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

We specialize in providing customized stainless steel fastener processing, as well as galvanized sheet metal bending and stamping services. Our comprehensive capabilities allow us to deliver high-quality components tailored to your exact specifications, offering precision, durability, and reliability for a wide range of applications.

Key Features:

Customized Stainless Steel Fastener Processing: Our stainless steel fastener processing services are tailored to meet your unique requirements. Whether you need bolts, screws, nuts, or other fasteners, we have the expertise and equipment to deliver precision-engineered components that meet your specifications.

Galvanized Sheet Metal Bending: We offer galvanized sheet metal bending services to create custom shapes and forms according to your needs. Our bending process ensures accuracy and consistency, allowing us to produce high-quality bent components with tight tolerances.

Stamping: With our stamping capabilities, we can create intricate patterns, designs, and features on sheet metal surfaces. Whether you require holes, slots, or other custom shapes, our stamping process delivers precise results for your specific applications.

High-Quality Materials: We use high-quality stainless steel and galvanized sheet metal materials for all our processing and bending/stamping operations. These materials offer excellent durability, corrosion resistance, and longevity, ensuring that your components perform reliably in various environments.

Customization Options: Our services are fully customizable to meet your unique needs. We work closely with you to understand your requirements and provide tailored solutions that meet your specifications and expectations.

Applications:

Automotive industry: Fasteners, brackets, and stamped components for vehicle assembly and repairs.

Construction: Metal brackets, clips, and fasteners for construction projects and infrastructure.

Electronics: Sheet metal enclosures, brackets, and components for electronic devices and appliances.

Industrial machinery: Precision components and fasteners for machinery and equipment assembly.

Aerospace: Stamped parts and fasteners for aerospace applications.

If you're in need of customized stainless steel fastener processing, galvanized sheet metal bending, or stamping services, please contact us to discuss your project requirements. We're committed to providing high-quality solutions that meet your needs and exceed your expectations.
