

Customized Metal Fasteners Stainless Pipe Clamps Bending Stamping Service

Our Product Introduction

for more products please visit us on metalstamp-parts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Material: SUS316 2B
- Specifications: H=20MM, T=1.2MM, D=28/22/15MM
- Surface Treatment: Electro galvanizing Or Customized
- Product Name: Clamp, double Pipe Clamps U Type Hose Clamp For Stainless Steel Tube, Quick Release Pipe Clamp, Heavy Duty Pipe Clamp, WODAFENG W2 American Type Stainless Steel Hose Pipe Clamp
- Finish: Coating, Electrical Zinc Galvanized/HDG
- Highlight: **Customized Metal Fasteners,
Stainless Pipe Clamps Bending,
Pipe Clamps Bending Stamping Service**

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Combining affordability and quality

Material	<u>SUS316 2B</u>	Delivery time	<u>20days</u>
Price	<u>\$1~10/pcs</u>	surface treatment	<u>Electrogalvanizing</u>
specifications	<u>H=20MM,T=1.2MM, 2000*1000mm</u>	Packing	12 in a box

About Us

Direct wholesale, self-produced and self sold

Shenzhen Dongfeng Shengshi Hardware products Co., LTD

Company Profile

Shenzhen Dongfeng Shengshi Hardware Products Co., Ltd. was established in 2003 and is an IOS9001 certified factory. The company has been committed to the research and development, production and sales of hardware molds, ATM components, precision hinges, tampering parts, mechanical components, heat sinks, display hooks, and anti-theft series products. The company's main markets include North America, South America, Europe, Japan, Australia, and mainland China.

The company has complete equipment, mainly including: 48 large and small punches, 40 hand beer machines, 20 tapping machines, 25 drilling machines, 15 machining equipment, 6 lathes, 8 milling machines, 4 wire cutting machines, 5 precision grinders, CNC machining centers, spark machines, three production lines, and the quality management department's projectors, anime/cubic, hardness meters, altimeters, film thickness testers and other testing equipment.

The company adheres to the corporate tenet of "customer centeredness, quality as the foundation, continuous improvement and innovation, and continuous provision of high-quality products", constantly explores and strives to establish a good external image for the prosperous era of Dongfeng. We warmly welcome people from all walks of life to establish cooperative relationships with our company, work hand in hand, and create brilliance together!

After sales instructions

1. Are you a factory?

A: Yes, we are a factory with 21 years of experience, dedicated to the research and development, production, and sales of hardware molds, ATM components, precision hinges, stamping parts, mechanical components, heat sinks, display hooks, and anti-theft series products. Our main markets include North America, South America, Europe, Japan, Australia, and mainland China

2. What about the lead time?

A: 15-30 working days for mass production.

3. Do you have any MOQ limit for

A: Low MOQ, 1pc for sample checking is available.

4. How do you ship the goods and how long does it take to arrive?

A: Ship by DHL, UPS, FedEx or TNT. It takes 3-5 days to arrive. Airline and sea shipping also optional.

Item	Description
Product Name	Customized Metal Fasteners Stainless Pipe Clamps Bending Stamping Service
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling,Forming, threading,welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks,Pro/Engineer,Auto CAD,PDF,JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

As a leading manufacturer of customized metal fasteners, we provide high-quality metal manufacturing, bending, and stamping parts services at competitive prices. Our comprehensive range of services is tailored to meet the diverse needs of our customers, offering precision-engineered components for various industries and applications.

Key Features:

Competitive Pricing: We understand the importance of cost-effectiveness in manufacturing. Our competitive pricing ensures that you receive top-quality metal fasteners and components at affordable rates, without compromising on quality.

Customized Solutions: We offer customized metal manufacturing, bending, and stamping services to meet your specific requirements. From material selection to design specifications, we work closely with you to deliver tailor-made solutions that meet your exact needs.

High-Quality Manufacturing: With state-of-the-art equipment and advanced manufacturing processes, we guarantee high-quality metal fasteners and components that meet industry standards and exceed customer expectations.

Versatile Capabilities: Our metal manufacturing, bending, and stamping services cover a wide range of materials, including stainless steel, aluminum, brass, and more. Whether you need simple brackets or complex components, we have the expertise and capabilities to deliver.

Responsive Customer Service: Our team of experienced professionals is dedicated to providing exceptional customer service. We are committed to understanding your needs and delivering solutions that meet your requirements, on time and within budget.

Applications:

Automotive industry: Fasteners, brackets, and stamped components for vehicle assembly.

Electronics: Metal parts and connectors for electronic devices and appliances.

Construction: Brackets, clips, and fasteners for construction projects and infrastructure.

Industrial machinery: Precision components for machinery and equipment assembly.

Aerospace: Stamped parts and fasteners for aerospace applications.

If you're in need of customized metal fasteners or metal manufacturing, bending, and stamping parts services at

competitive prices, please contact us for more information. We look forward to serving your needs and exceeding your expectations.
