

## ODM Angle Adjustable Bracket Aluminum SS U Shape Metal Bracket Powder Coated

Our Product Introduction

for more products please visit us on [metalstamp-parts.com](http://metalstamp-parts.com)

### Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$ +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

### Product Specification

- Place Of Origin: GUANGDONG, China
- Model Number: WZ3513G
- Material: Steel , Iron ,Stainless Steel, Aluminum, Brass, Copper Etc.
- Process: Stamping, Deep Drawing, Laser Cutting,Bending, Welding, CNC Etc
- Surface Treatment: Zinc Plating, Nickel Plating, Powder Coated , Paint ,Brushed Etc
- Technology: OB Hole,Rivet,Brige,Caes,Thread
- Tolerance: +/-0.002~+/-0.005mm
- Quality Assurance: ISO9001:2015, ISO13485:2016, RoHs, TUV
- Service: Customize ODM OEM
- Highlight: **ODM Angle Adjustable Bracket,  
SS U Shape Metal Bracket,  
U Shape Metal Bracket Powder Coated**

## Product Description

Item	Description
Product Name	ODM Angle Adjustable Bracket Aluminum SS U Shape Metal Bracket Powder Coated
Working Process	Blanking, stamping, Punching, deep drawing, bending, Coining, Curling, Forming, threading, welding, tapping, riveting, cnc machining, CNC Milling
Material	carbon steel, Stainless steel Aluminum, copper, brass, bronze (according to customer's requirements)
Surface Treatment	Galvanized, Zinc, nickel, chrome-plated, Powder Coating, Polishing, Spraying, Anodizing, Pickling, E-coating, etc.
Packing	Inner-Plastic Bag; Outer -Standard Carton Box + Pallet/Wood Case
Application	Automobiles, Construction, Transportation, Furniture, machinery, home appliance, electronic & electric appliance, Agricultural Equipments
Equipments	stamping/punching machine, CNC bending machine, CNC Laser cutting machine, 5-250T punching machines, Welding Manapulator
Thickness	0.5mm~12mm
File Format	Solidworks, Pro/Engineer, Auto CAD, PDF, JPG
Service	Warm and quick response service provided by the professional Export Sales Team with many years' experience in handling exports to the US, Europe, Japan and other countries and regions.
Inspection	100% QC as to each products

### Product Description:

*Our Angle Adjustable Bracket is a versatile and durable solution for various applications, crafted from high-quality aluminum or stainless steel. Designed with precision and adaptability in mind, these custom-stamped U brackets offer superior functionality, strength, and corrosion resistance, making them ideal for both indoor and outdoor use.*

### Key Features:

#### High-Quality Materials:

**Aluminum:** Lightweight, corrosion-resistant, and easy to work with.

**Stainless Steel:** High strength, excellent corrosion resistance, and durability.

#### Customizable Dimensions:

**Thickness:** Available in various thicknesses to meet specific load-bearing requirements.

**Size:** Customizable width and length to fit your exact specifications.

**Tolerance:** High precision tolerances for perfect fitting and alignment.

#### Adjustable Design:

**Adjustable Angles:** Allows for flexible positioning and installation to meet different needs.

**U-Shaped:** Classic U-shape design for versatility and ease of integration.

#### Advanced Surface Finishes:

**Polishing and Brushing:** Enhance the aesthetic appeal and smoothness.

**Anodizing and Powder Coating:** Provide additional protection against corrosion and wear.

**Electroplating:** Improve durability and resistance to environmental factors.

#### Special Features:

**Perforations and Cutouts:** Custom holes and slots for mounting and integration.

**Threads and Taps:** Precise threading for secure attachment of components.

#### Secondary Operations:

**Bending and Welding:** Custom angles and welds for added strength and functionality.

**Assembly:** Integration with other parts or components for complete solutions.

## Mechanical Properties:

**Strength:** Engineered to provide the required load-bearing capacity.

**Flexibility:** Adjustable and resilient to fit various applications.

## Quality Assurance:

**Inspection:** Rigorous quality checks throughout the production process.

**Certifications:** Compliance with industry standards and certifications.

**Testing:** Comprehensive mechanical and environmental testing for reliability.

## Applications:

**Automotive:** Ideal for mounting and positioning components within vehicles.

**Construction:** Perfect for structural support and adjustable fixtures.

**Electronics:** Suitable for housing and securing electronic devices.

**Furniture:** Great for creating modular and adjustable furniture.

**Industrial Equipment:** Custom mounts and supports for machinery and equipment.

## Why Choose Our Angle Adjustable Bracket:

**Expertise:** Decades of experience in metal stamping and fabrication.

**Customization:** Tailored solutions to meet your specific project needs.

**Technology:** Utilization of advanced machinery for precision and efficiency.

**Quality:** Commitment to delivering high-quality and reliable parts.

**Customer Service:** Dedicated support from initial consultation to final delivery.

**Contact Us Today:** Ready to enhance your project with our custom angle adjustable brackets? Contact us today to discuss your requirements and discover how our expertise can provide the perfect solution. With our comprehensive customization options and unwavering commitment to quality, we are your trusted partner for all your metal stamping and fabrication needs.

**Comprehensive Support:** From initial consultation and design to final production and delivery, we provide comprehensive support throughout the entire manufacturing process.
