

100% Inspection Metal Stamping Parts with 5000 Shots Tooling Life and 1 Million Strokes Mould Life

Our Product Introduction

Basic Information

- Minimum Order Quantity: 500
- Price: +1~10+Pcs
- Delivery Time: 15-20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000+pcs+Month

Product Specification

- Parts Detection Method: Measurement Of Three Axis NC
- Tooling: Drawing Dies
- Use: Custom
- Method: Stamping
- Place Of Original: Dong Guan China
- Specification: RoHS
- Roughness: Ra1.6
- Quality Control: 100% Inspection Before Delivery
- Highlight: **high durability metal stamping parts,
long life metal stamping mould,
precision inspection metal stamping parts**

Product Description

100% Inspection Metal Stamping Parts with 5000 Shots Tooling Life and 1 Million Strokes Mould Life

Product Description

Our Metal Stamping Parts comply with RoHS standards, ensuring environmental sustainability and safety in their use. This specification reflects our commitment to producing products that are not only high-quality but also environmentally friendly.

Quality Control: Each Metal Stamping Part undergoes rigorous quality control measures, including 100% inspection before delivery. This meticulous process guarantees that every part meets our strict quality standards.

Mould Life: Our Metal Stamping Parts boast an impressive mould life of 1 million times of strokes. This exceptional durability ensures that these parts can withstand high-volume production processes.

Roughness: With a roughness of Ra1.6, our Metal Stamping Parts exhibit a smooth and uniform surface finish. This level of precision is crucial for ensuring optimal performance in various applications.

Sample: We offer free samples of our Metal Stamping Parts, allowing you to experience the quality and craftsmanship firsthand.

Our Metal Stamping Parts are versatile and reliable components that excel in metal forming processes. Whether you need metal blanking components or sheet metal stampings, our products are designed to meet your specific requirements with precision and efficiency.

Features

- Product Name: Metal Stamping Parts
- Package: Standard Export Carton
- Method: Stamping
- Quality Control: 100% Inspection Before Delivery
- Mould Life: 1 Million Times Of Strokes
- Place Of Origin: Dong Guan China

Technical Parameters

Roughness	Ra1.6
Tooling	Drawing Dies
Parts Detection Method	Measurement Of Three Axis NC
Tooling Life	5000 Shots
Method	Stamping
Dimension	As Per Drawing Or Custom's Sample
Use	Custom
Package	Standard Export Carton
Base Material	Polycarbonate
Sample	Free Sample Is Ok

Applications

Metal stamping parts, including metal bending components and metal punching accessories, are versatile components that find application in a wide range of industries such as automotive, aerospace, electronics, and construction.

Minimum Order Quantity: 500 pieces

Price Range: \$1 to \$10 per piece

Delivery Time: 15-20 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: Over 3000 pieces per month
